Response to Amendment

Applicant canceled claims 1-19 and added new claims 20-39.

Claims 20-39 are rejected under 35 U.S.C. 103(a) as being unpatentable over Deleo et al (6,340,663).

Response to Arguments

1. Applicant's arguments filed 12-02-02 have been fully considered but they are not persuasive.

Applicant argues that Deleo et al do not teach or suggest a process for cleaning dishware.

The examiner contends that one of ordinary skill in the art would include dishware in a broad class of hard surfaces and Deleo et al further teach that such hard surfaces include glass and porcelain, which are well know materials in the dishware industry (col. 2, lines 8-11).

Applicant argues that Deleo does not teach a wipe comprising a paper substrate and at least two water impermeable membranes comprising polyethylene membranes.

The examiner contends and respectfully disagrees because Deleo et al clearly teaches a wipe which is at least made of wood pulp or a blend of wood pulp and a synthetic fiber such as polyethylene, polyester, polypropylene and **mixtures** thereof (col. 3, lines 26-33).

Conclusion

2. Applicant's amendment necessitated the new ground(s) of rejection presented in this Office action. Accordingly, **THIS ACTION IS MADE FINAL**. See MPEP

Art Unit: 1751

§ 706.07(a). Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire **THREE MONTHS** from the mailing date of this action. In the event a first reply is filed within **TWO MONTHS** of the mailing date of this final action and the advisory action is not mailed until after the end of the **THREE-MONTH** shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than **SIX MONTHS** from the date of this final action.
